Pursuant to MCR 7.205(D)(2), the Court orders that the Macomb Circuit Court's January 22, 2008 order denying defendant's motion to reduce his sex-offender registration period is VACATED, and the matter REMANDED to that court to specifically consider and make findings regarding the criteria listed under MCL 28.728c(12) before deciding defendant's petition to reduce his registration period. MCL 28.728c(12) states that the court "shall consider all of the following in determining" whether to permit reduction of the registration period. The circuit court did not address those criteria or provide any other explanation for its decision.

The motion for leave to file a late answer is GRANTED.

This Court retains no further jurisdiction.
